What's ahead for Marathon Health

Our roadmap

Drive downstream cost savings

- GLP-1 utilization management
- In-center value driven referrals
- Partner specialty care networks
- Expanded SDOH management

Strengthen engagement levers

- Multilingual digital patient experience
- Network expansion to broaden open access to care
- Updates to after-hours and 24/7 care coverage
- Advanced risk stratification in patient journeys

Accelerate care model innovation

- Multimodal asynchronous care
- Improved chat, SMS, and self-service features
- Refined occupational health-integrated with primary care
- Virtual musculoskeletal solution

Deepen integration with benefit design

- Customer benefits ecosystem integration
- Centralized & embedded navigation team
- Payor care management & utilization management alerts
- Client custom networks & centers of excellence
